

JADHAV SANGRAM ARJUN

Sangramjadhav3017@gmail.com / 7058322467

SUMMARY

I am an engineering fresher passionate about programming languages like c ,c++, java and python with growing interest in developing projects. I have a basic understanding about developing projects . I am quick learner, good team player and improving my technical skills.

TECHNICAL SKILLS

Data analytic chatgpt with power Bi	C,C++	IEEE Xplore
Virtual meeting tools	Java	
Campus to corporate	Python	

PROFESSIONAL EXPERIENCE

April - 2026

- Completed IBM full stack developer internship
- skilled in python libraries Numpy
- Experience in data preprocessing , model training, and evaluation
- Implemented ML algorithms : Regressions, Classification, Clustering, Neural networks

EDUCATION

Bechelor of Engineering (B.E) - Electronics & Computer Science

Nov 2022 - May 2026

Pillai College Of Engineering (Autonomous) Navi Mumbai , New Panvel
Mumbai University
CGPA – 7.58

Higher Secondary Certificate (HSC - class XII) March 2022

Sudhagad Education Society College,Kalmboli ,Navi Mumbai
Percentage : 57.17 %

Secondary school certificate (SSC - Class X) March 2020

Sudhagad Education Society School,Kalmboli ,Navi Mumbai

Percentage : 82%

CERTIFICATE ADDITIONAL INFORMATION

Cloud Computing	Feb 2026
Software Engineering	Feb 2026
Developing Front-End Apps with React	Feb 2026
Developing Back-End Apps with Node.js and Express	March 2026
Python for Data Science, AI & Development	March 2026
Django Application Development with SQL and Databases	March 2026
Introduction to Containers, Kubernetes & Openshift	April 2026
Full Stack Application Development Capstone Project	April 2026
Full Stack Application Developer Assesment	April 2026

ADDITIONAL INFORMATION

Date of Birth - 30/04/2004

Languages Known -English,Marathi,Hindi
